Cardboard Displays

– Lightweight and Flexible Solutions

Cardboard Display 1: Table display with 4 bouquets – ideal for smaller stores or as a supplement at the checkout.

Cardboard Display 2: Half-pallet display with space for 18 bouquets – a compact, sales-boosting solution with high visibility on the shop floor.

Metal Displays

– Robust and Mobile Solutions with Wheels

Display 1: Space for 9 bouquets – perfect for smaller areas or as a secondary display in the store.

Display 2: Space for 16 bouquets – a versatile solution with good capacity and easy mobility.

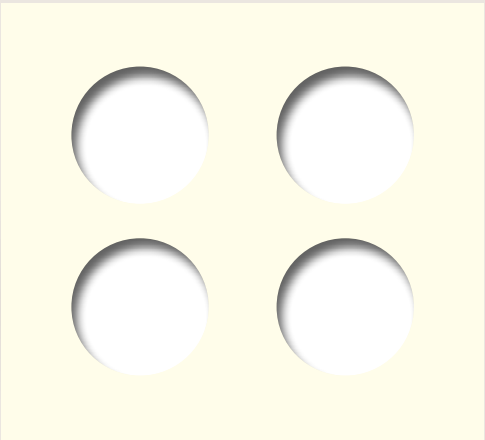

Display 3: Space for 24 bouquets – the largest and most durable model, ideal as a central focal point in the store.

Our silk flower concept has been developed as an easy and decorative sales solution for the retail sector – perfect for stores that want a beautiful, maintenance-free upsell.
